

Work as Mission

Balance Obstacles

In Acts Chapter 20:17-35 (particularly verses 18-21, 31, 34-35)... what was Paul emphasizing to the leaders of the church at Ephesus?

- Paul never ceased to tell people
 - What?

 - Where?

- Paul worked hard with his hands to
 - Provide

 - Be an _____

The bible teaches we are to have an _____ life...

But modern America pushes us to have a _____ life

How do you balance what you can do in your mission field of work with your mission field at home?

What steps should you be taking now to integrate your faith with your work?

Technical Obstacles

How has or is God preparing you to view work as mission?

What questions should you be asking yourself before you go down a path toward a job or career or even a hobby?

There are two reasons we should see work as an opportunity for missions

1. Having something to give to either those less fortunate or those who are doing a different type of the Lord's work which demands more of their time.
2. The people we interact with as we work

How are you doing related to each of those, and what steps should you take to better fulfill those callings?

Overseas

What are two things we need to be mindful of when ministering overseas?

In The US?

What are some blessings we have that we should remember as we work here?
